

Panhellenic Informal Recruitment

Fall 2020

What is informal recruitment?

Panhellenic's informal recruitment process, otherwise known as Continuous Open Recruitment (COR) and Continuous Open Bidding (COB), allows women to join Panhellenic chapters outside of the primary recruitment period. Not all chapters will be participating in informal recruitment, only those that are eligible and are choosing to participate.

What makes me eligible?

To be eligible for participation in informal recruitment, you must meet the following requirements:

- have at least a 2.5 GPA
- have completed at least one semester of college
- have completed at least 12 college credits
- have never been initiated into another National Panhellenic Sorority

How do I register?

To register for informal recruitment, make sure you register online at www.udel.edu/greekreg

What does informal recruitment look like?

Recruitment events and style are different among different chapters. Because UD is remote this semester, all recruitment events will be virtual.

Some chapters might do larger group online events, while some chapters may do more one-on-one conversations.

What is the mission of Panhellenic?

We are committed to relationships built on trust through transparency, accountability and mutual respect. Innovation and our core values of friendship, leadership, service, knowledge, integrity and community guide us in fulfilling our mission.

Why is joining a sorority beneficial for me?

Joining a sorority can provide a number of different benefits and opportunities for members. Some of these include:

- academic support and scholarships
- a campus community
- leadership opportunities
- a social outlet
- networking opportunities
- service opportunities
